

Orange County Public Schools

OCPS Preparedness Days East River High School | June 18 & 19, 2024

Every summer, the principals and assistant principals of the 210 OCPS schools attend essential training sessions designed to prepare administrators for scenarios that they may encounter at school.

Companies can participate in our Sponsor Fair during Preparedness Days on June 18 and 19 to meet with 600+ school-based administrators. This is a prime opportunity to showcase your company's goods or services.

	Platinum	Gold	Silver
